

On-Site Learning Opportunities & Support Services

CASA Academy recognizes that some families, due to working situations may not have a safe, supervised space for children to participate in online instruction and work; therefore, we will offer on-site supervision for families in need. Let us know if this is a need for your scholar(s) by filling out the request form that was sent to all CASA families on 8/12/2020 via Flyer Connect and email. If you need a request form, please contact our main office and we will provide one to you.

On-site support services will be provided during regular school hours from 7:35 a.m.-3:20 p.m., Monday – Friday, starting on 8/17/2020.
